

TO THOSE WHO HAVE LOST LOVED ONES

Rise above the daily heartaches
So common to us all.
Just spread your wings and fly away
Before the teardrops fall.

TO OUR SICK & SHUT-INS

His love will light the way
As we travel through this life.
His love will guide our path
Through days filled with toil and strife.
As we struggle through the valleys
Where are fears shut out the light,
His love will light the way
And will make our pathway bright.

TO MEMBERS NEAR AND FAR

Window ledges filled with snow,
Flurries dancing in the air,
Christmas shoppers to and fro,
Anticipation everywhere.
In the darkness of the evening,
Alight with shimmering snow,
Windows shine with Christmas trees,
Those magic jewels aglow.
Pretty music fills the air,
A tale of song and rhyme,
Happiness is everywhere,
Lovely Christmastime.

I Love
Music!

FROM THE EAST

Dear Sisters and Brothers,
Wayne and I are very excited about being in the East this year. We are looking forward to a fun filled term. The theme is music and we will learn about songs of the past and future, and what was happening in the world when they were popular. We also passed out questioners to be filled out and plan on incorporating those into our meetings. We are doing this because I for one would like to get to know our members better and I think everyone would benefit from knowing what makes us tick. So, at the completion of our year, I guarantee you will have a better understanding of songs, you may even acquire a liking for a new song, and we will all know each other a little bit better.

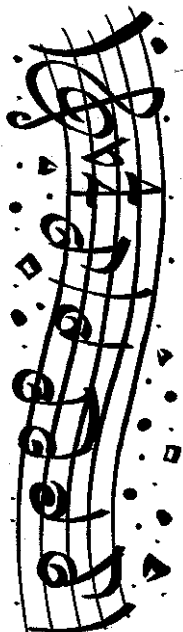

We would like to thank all the members of Western Reserve Chapter for supporting us. We would like to thank the Officers for accepting their stations this year. We are a very fortunate Chapter to have all 18 offices filled.

Thank you again and sit back and enjoy the Musical treasures as we begin our journey.

Fraternally,
Gail and Wayne
